

## Inter House Mask Making Competition

Mask making is one of the most enjoyable crafts that children can be engaged in. A Mask Making Competition was organized on 23 October 2018 for Class V. It inspired children to think and work innovatively and promoted artistic excellence in them. It was an extremely colourful event and was a visual treat to all the spectators. The students put in their heart and soul and came up with the best of ideas by making beautiful creative masks.
