Greetings!

“Politics without principles, Education without character, Science without humanity, and Commerce without morality are not only useless, but also positively dangerous.” We here at DAV constantly strive to spread love for commerce with morality amongst our children. Keeping in sync with this objective, the school organizes the ‘Commonomics Meet’ every year, with a view to awaken their sense of social responsibility.

In this world, conventional wisdom says that the way to avert global ecological disaster is to persuade people to change their selfish habits for common good. The need of the hour is to conceptualize environment friendly products. Children must learn to share the resources of society and contribute towards its maintenance and development.

Also, the students feel a lot of disconnect when it comes to applying their skills to real life situations. Commonomics Meet helps reduce this disconnect. The vast array of activities make words like financial markets, stock exchange, equity, homely terms while putting ingenuity and creativity to test.

I wish my dear students and staff All the Best!

Apama Erry
Principal

Grabs the Equity

Teams from various schools of Gurugram presented unique and ingenious business ideas to an esteemed panel of judges. The students and the judges had an extensive discussion over the feasibility of those ideas. The teams had to convince the panel to provide them with funding for their venture. The participants got a holistic experience of being an entrepreneur.

Inter-School Events

‘Bulls and Bears’ was an inter-school competition where students from different schools were placed in a mock stock market. The agog students quickly got involved and this battle of wits lasted for almost two hours where participants cheerfully took part in predicting the market conditions and utilizing their money to buy shares.

Online Event: Comic Strip

The students of Classes IX-XII from various schools of Gurugram were required to send entries in the form of comic strip on the topic ‘US – China Trade War’. Colorful caricatures mixed with witty dialogues showcased the students’ flair for creativity.
INTER SCHOOL ONLINE EVENT: E-BOOK JACK

E-Book Jack—designing cover page of a business magazine was held online for Classes IX-XII from various schools. The event witnessed beautifully expressed entries. These folded flaps contained all the essential elements of book jacket. The images intrigued the potential readers and hinted towards the humongous capabilities of young students.

TALK ON FINANCIAL AWARENESS

Mr. Viksit Rohatgi, an eminent Financial Advisor held a session for Classes XI-XII to shed light on the field of Finance. He talked about various investment avenues, securities—risk free securities, high risk securities, etc. He discussed the scope of Actuaries, Investment Advisors and Investment Managers. He also talked about time management. The students were inspired.

INTER SCHOOL ONLINE EVENT: E-AD

Advertisement of an environment friendly product was an online event for Classes IX -XII. The event had enthusiastic participants from various schools across of Gurugram. Advertising can be a tricky business. Students had a lot to learn about how ads contribute towards increased consumption of products or services.

BUSINESS SCHOOL ENTERPRISE CHALLENGE

As a part of the Business School Enterprise Challenge, the school took an initiative 'GO GREEN'. In today's time of increasing environmental pollution due to the large scale use of harmful fertilizers in agriculture, an initiative like ‘GO GREEN’ is the need of the hour. This was a nonprofit event and the primary aim was to develop business skills in students. Under this, students set up a stall for the sale of organic compost made in school and Oxy-plants placed in reused plastic bottles on PTM day. It was a great success and all the plants and compost sold off quickly. It was highly appreciated by parents.

SPECIAL ASSEMBLY

Special assemblies were conducted by the students of Class XI G on the topic 'Mutual Funds' and students of Class IV B on the topic 'Evolution of Money'. The students talked about how money had evolved and what are the merits and demerits of different types of transactions like card, cash or barter system. They also explained cyber safety rules while using debit and credit cards.
KNOWLEDGE RELAY

The young economists of Class XII rode through a fun-filled, exciting and witty joyride called "Knowledge Relay". Students were required to match the definitions/phrases with the terms from Macroeconomics. This urged every student to rattle their brains in order to emerge victorious and added a lot to their knowledge.

BUDDING JOURNALISTS

The students of Class XI were engaged in designing their own newspapers in the event 'Budding Journalist'. Students designed unique newspapers based on the recent scoops from the world of economics and business environment. They armed themselves with stories from the newspapers, magazines and internet along with tons of creativity. They innovatively named their newspapers as 'The Economics Radar', 'Nonstop News' and 'The Inside News'.

JOURNAL JUGGLERS

Students of Class XI played 'Journal Jugglers'. Just like the musical chairs, this game was thoroughly enjoyed. The answer slips were pasted on the chairs and question slips based on the basic rules of recording business transactions in the books of accounts were given to the participants. They had to find the chairs with the correct answers. Everyone was enthused and had a lot of fun.

COMIC STRIP

The Comic Strip competition was held for the students of Class X. The students were required to prepare a comic strip on the topic, 'Mobile Phone: Heroes vs. Villains' and were given an hour to complete the activity. They put their ideas and viewpoints on paper in their own innovative ways. They participated with zeal and the work done by them was incredibly amazing. It was indeed a delightful event.
AD-MAD

It was a thrilling and exciting competition conducted for the budding artists and performers of Class IX. All the students put on their creative hats and gave it their best shot to create wonderful advertisements on a great variety of products ranging from those for daily use to some very exotic products. The audience was meticulously engaged.

DAV HAAT

The students of Class VIII stepped into the shoes of real shopkeepers to organize a Fete. They set up multivariate shops selling food, handmade goods etc. to students of Classes VI & VII. The shops were innovatively named 'Hashtag Foodie', 'Magic Pot Stall'. Each class strived hard to maximize their sales. The games also cashed in a lot. Students of Class VIII E made the maximum profit. It was a modern market experience like no other.

MARKET KSHETRA

Market Kshetra was a highly enriching event where the students of Class VII were given the task of designing a logo for either an electronic item, an automobile company or an airline. Students brainstormed to put together some truly breathtaking logos with catchy jingles, innovative dialogues and music. The students were truly enthralled.

BATTLE OF BRANDS

Students of class VI unleashed their phenomenal creative skills when they set out to write jingles either for a chocolate, fruit juice or a mobile company. The anxious students took part in this event wholeheartedly and tried their best to come out with great jingles.
Students of Class V, Sector 14 presented the topic 'Evolution of Money' in a variety of ways like role play on barter system, power point presentation on coin age, demonetization etc. They were very excited and used a number of props to make their presentations interesting. Students of Class V of Sector 10A, presented role plays to highlight the various phases through which money passed during its evolution - Barter system to metallic and then plastic to digital.

Students of Class IV, Sector 14 and Sector 10 A made collages on the topic 'Evolution of Money'. In groups of 4-5, students made beautiful collages on themes like 'Save Money', 'Plastic Money', 'Paper Money', 'Barter System' and 'Coin Age'. They learnt these new concepts in a joyful way.
An interesting event Tol Mol Ke Bol was conducted for the students of Classes III and II at Sector 14 and Sector 10 A, wherein they were required to estimate the prices of diverse commodities such as crayons, hand sanitizers, toothpastes, soaps, chocolates etc. At times, the students surprised their teachers by guessing the accurate values and at times everybody was left laughing at the vague responses.
