

## INTRA CLASS ONLINE COMPETITION -CREATING AN ADVERTISEMENT (GRADE V)

*“Creativity is experimenting, growing, taking risks, breaking rules, making mistakes and having fun while learning from them.”*

Advertisements are an important part of our daily life as they are the marketing tools which inform us about different brands available, help us to make wider choices and at times, give social message also. An ONLINE INTRA CLASS COMPETITION of CREATING ADVERTISEMENT was held on 14 August 2020 for the students of Grade V on virtual platform.

The students participated enthusiastically and mesmerized the judges with their products .They highlighted the qualities of their products with a lot of creativity, humour and quirk. The competition was bi-lingual wherein the participants were assessed on the basis of content, creativity and overall presentation. Each participant presented the ad with a lot of gusto. Besides showing ads with social message, it was a good confidence building exercise. All the participants came up with exhilarating performances and were applauded for their amazing performances by the judges.
