

Diwali Pooja Thali Decoration Competition

“Imagination is the beginning of creation and creativity is a skill that can be practised and nurtured.”

As the festival of lights is around the bend, it is a perfect time to take creativity out for a spin. Therefore, to make this Deepawali extra special and memorable, ‘Diwali Pooja Thali Decoration Competition’ was organised for the students of Grades III & IV on 23 October 2019. The creative personalities added ‘bells and whistles’ to their pooja thalis and left everyone awestruck with their novel and imaginative ideas. The competition filled the atmosphere with the spirit of mirth, happiness and love. It indeed offered the students a valuable opportunity to uphold their traditions and strengthen their beliefs in praying to God.
