

# English poem recitation

The Inter- house English Poem recitation was held on 2<sup>nd</sup> of May, 2019. Poems are a wonderful way to express one's emotions and it was heart-warming to see children pouring out their feelings and shedding their inhibitions. Students of grade IV and V participated with full enthusiasm. They recited poems on a variety of topics which ranged from 'patriotism', 'people's power in democracy' to 'cleanliness' and 'determination'. Rabindranath Tagore's 'A little grain of gold' highlighted the importance of contentment and gratitude in one's life.
