EXPERIENTIAL LEARNING

(Teaching children different themes through experiential and joyful learning)

Experiential learning is infusing joyful learning in classrooms. It helps children to focus in the class and learn new concepts.

SHAPE TRAIN
SINK AND FLOAT

CONCEPT OF WHAT COMES AFTER THROUGH NUMBER LINE
ACTIVITY - EVAPORATION (THEME: WATER)

MAGICAL MAGNET
Inculcating Team Spirit
These activities encourage children to be expressive and communicative. These hands on learning experiences are a great way to engage tender minds.
