

# English Recitation Activity

Children of U.K.G & L.K.G actively participated in English Poem activity which was held on 27/12/17 and 16/1/18 respectively. Reciting poem encourages positive learning.

Through this activity, children enjoyed the beauty of expressions, thoughts, feelings, emotions and rhythm. They gained confidence in speaking with proper voice modulation. It also helped them to develop their language skills and self expression.
