

ENGLISH STORY NARRATION ACTIVITY FOR GRADES I & II

‘Stories we read, stories we weave.’

A short story may have a vast impact on the frame of one’s mind. Sometimes it offers wings of imagination and sometimes it leads to a big change. Keeping in mind the importance of these vintage classics, an English Story Narration Activity for Grades I & II was held on 20 & 23 December 2019. This activity helped the children to enjoy and assimilate the beauty of expression, thoughts, feelings and most importantly, morals and values in their tender minds. The budding prodigies got an opportunity to exhibit their talent and confidence. The zeal of the young orators was worth an applause and appreciation.
