

## Solo Dance Competition for Grade III

*“One step, two steps, three steps; like winds of time experience joy of centuries, when movements become revelations of the dance of destinies.”*

*To aggrandize the dancing prowess of the students and to encourage children to showcase their talents during this scenario of Online Learning the ‘Solo Dance Competition’ was organised for Grade III. The charismatic dancers showcased different dance genres which included western, folk, classical, semi-classical etc. The choreography, rhythm, synchronization, choice of dresses and execution left us spellbound and mesmerised. The exuberance of the students was amply evident in their graceful movements.*
