

Online Solo Song Competition for Grade IV

“Music speaks what cannot be expressed, soothes the mind and gives it a rest, heals the heart and makes it whole, flows from heaven to the soul”.

To reiterate this notion, an ‘Online Solo Song Competition’ was organised for Grade IV on 15 June 2020. It was enticing to witness the performance of our young songsters through their videos who nailed the online activity with their mellifluous voice, rhythm, notes, refinement, panache and grandeur. The ecstasy reached its zenith with a wide genre of songs selected by the vocalists which indeed created some beautiful memories to be cherished.
