

# HINDI RECITATION ACTIVITY

To spread the fragrance of language amongst children, a recitation activity was held for the little ones of UKG & LKG on 24<sup>th</sup> and 25<sup>th</sup> of July 2019 respectively.

Children recited rhymes with beautiful expressions and actions on various topics like nature, trees, flowers etc. The magic of their innocent gestures left everyone spellbound. The aim of this activity was to boost confidence in them and improve their language skills.
