

INTERNATIONAL DIMENSION IN SCHOOLS (IDS) AWARD 2020-2023

DAV Public School, Sector 14, Gurgaon embarked on its IDS journey in the year 2013. Since then, we have been consistently getting recognition by the British Council and that has given us the required impetus to strive for excellence.

The British Council International Dimension Award is a bench-marking scheme that accredits schools having an outstanding level of support for nurturing global citizenship in young people and encouraging teaching and learning, team building, innovation and project management.

International Dimension Award now has a presence in 31 countries worldwide. It is a three-year accreditation, focussing on the implementation of an international dimension in school curriculum.

We have been providing our students with rich experience by engaging them in activities keeping in mind the global scenario, the environment and Sustainable Development Goals (SDG). SDGs are unique as they call for action by all countries to promote prosperity while protecting the planet. We also collaborated with a few schools based abroad for certain projects. It was immensely beneficial in creating a cross-cultural dialogue between students of both the countries which is so pertinent to the globalised world of today.

The programme helped the students build solid relationships with schools abroad and work on a range of topics like culture, scientific research and environmental conservation .

We have a humongous task of equipping our youngsters with the required skills for future as they are going to be the responsible citizens of tomorrow and need to equip themselves well for the coming times. We understand that the pursuit of creating global citizens is an ongoing one and we are committed to it.

A virtual award ceremony was conducted by British Council on January 21, 2021 to felicitate schools. We are happy to announce that we bagged the prestigious and much coveted (now known as) International Dimension Award – 2020-23.

Ms Aparna Erry, Principal, appreciated the efforts put in by the students, teachers and parents on this occasion. She presented the certificates to the ISA Coordinators- Ms Swati Singh and Ms Mona Vijay.
