

Inter School Model Making Competition

‘Without Mathematics, there’s nothing you can do, everything around you is Mathematics; everything around you is numbers’

To reiterate this notion, an Inter school ‘Model Making Competition’ was held at DAV Public School, Pushpanjali Enclave, New Delhi on 2 August 2019. The theme was ‘Exploring Indian States Mathematically’.

Diya Kumar of Grade IV-C and **Anisha Yadav** of Grade III-C showcased their talent with utmost diligence and finesse and bagged the ‘**Second Prize**’ through their creative skills and mathematical skills.

The young, aspiring minds participated enthusiastically in the event and represented the physical features of Rajasthan through different mathematical parameters such as perimeter of the walls of Kumbhalgarh Fort, area of Ranthambore National Park, fractional representation of Aravalli Range, temperature of Thar Desert and other attractions of the state like tie and dye, ethnic dresses, and bandhej etc.

The hardwork of students and teachers in unison brought yet another laurel to the school. The judges of the event appreciated and applauded the performance of the students.
