

Inter School Model Making Competition at DAV Public School Pushpanjali Delhi

"PLANT MORE TREES AND RECLAIM OUR FORESTS"

To reiterate this notion, an Inter school 'Model Making Competition' was held at DAV Public School, Pushpanjali Enclave, New Delhi on 1 August 2018 and the theme was 'Reclaim Our Forests'.

Students of grade III and IV participated enthusiastically in model making where they showcased various innovative measures such as aerial seeding, green wall of trees, dispersal of seeds by animals, plantation of drought resistant trees like Jatropha to preserve and reclaim our forests.

Diya Kumar of grade III-C and **Veronica Bhatt** of grade IV-C, the budding scientists and nature enthusiasts reflected their talent with utmost diligence and finesse and earned the **"First Prize"** through their scientific temperament of presenting the thought process on the given topic.

Their hard work brought yet another laurel to the school. The judges of the event appreciated and applauded the students' performance.
