

Inter House Group Discussion Competition for Grade V

“Discussion is done to find what is right and argument is done to find who is right.”

In order to provide a real time exposure of discussing in a group and reaching at a consensus through active participation by all the group members, a Group Discussion was organized for the students of Grade V on 1 February 2020. The hot topic of the discussion was ‘Problems faced due to Global Warming.’

The bout aided the students in acquiring the crucial GD skills like effective communication, logical argument and lucid presentation.

The students also amassed the life skills of how to control the conversation through listening attentively and then having the perseverance to mould it towards their direction and make the group achieve the goal.

The winning group is-
