

Kindergarten-Tearing and Pasting Activity

Tearing and Pasting Activity is a fun for little ones and helps in their fine motor development. This activity was conducted in Kindergarten on 30 October 2018. With tiny hands in action, the kids skillfully tore the coloured papers into tit bits and pasted them on the given pictures of 'Ball' (L.K.G.) and 'Boat' (U.K.G.). The pride and glory in their eyes of creating a beautiful collage was certainly a sight to witness.
