

English Recitation Activity

Poems are a great source of enjoyment for the children. They also help to enrich the imagination, creativity and vocabulary of the students. To spread the fragrance of poetry among students, an English Recitation Activity was organized for Grades LKG and UKG on 19 February 2020 and 20 February 2020 respectively. The little ones enthusiastically participated in the activity and got an opportunity to exhibit their talent and confidence.
