

Kindergarten English Rhyme Recitation Activity

Poems are not only a source of enjoyment but also a platform to help the children learn the beauty of expression, thoughts and feelings along with rhythm of words. Taking all these facts into consideration, a rhyme recitation activity was organized for the classes U.K.G and L.K.G on 7 February 2019 and 11 February 2019 respectively. The little ones used this opportunity to exhibit their talent and made their presence felt by choosing a variety of topics like nature, success, dream etc.
