

KINDERGARTEN HINDI POEM RECITATION ACTIVITY

‘A poem begins in delight and ends in wisdom’

Poems are simply the most beautiful, impressive and widely effective mode of expressing thoughts. They help the children to develop rhythm, phonemic awareness, memorization skills and self expression. Keeping this in mind, an online ‘Hindi Poem Recitation Activity’ was organized for the grades of LKG and UKG on 17 July 2020. The young poets enthusiastically participated and gave exemplary performances while covering different message-oriented topics like Corona, Beauty of Nature, Childhood and many others. Overall, the kids got a splendid opportunity to gain confidence and improve their oratory skills through this activity.
