

Mask Making Competition

Mask making is one of the most enjoyable crafts that children can be engaged in. A Mask Making Competition was organized on 26 December 2017 for Classes III & IV. It inspired children to think and work innovatively and promoted artistic excellence in them. It was an extremely colourful event and was a visual treat to all the spectators. The students put in their heart and soul and came up with the best of ideas by making enchanting Cartoon Character Masks.
