

Melange: A Literary Fusion

Children of Kindergarten celebrated the Literary Fusion week from 23 April - 27 April 2018. They took a pledge to read a book to promote reading and also to celebrate the 'World Book Day'. The week offered various activities to enhance the student's creative and scholastic skills.

Children of U.K.G took part in colour the Hindi alphabet on 23/04/2018 and colour the word 'BOOK'(English) on 24/04/2018.

Interactive story sessions were held during this week. Teachers narrated different stories with the help of puppets and props. The tiny tots of L.K.G were also encouraged to narrate the story in their own simple language.

It was a fun packed week with lots of knowledge, stories and colouring activities.
