

Mock Evacuation Drill

A Mock Evacuation Drill was conducted at DAV Public School, Sector 10A, Gurugram for classes Pre-nursery to V along with Special Wing on **3 August 2018**. This drill was planned to create awareness among students, teachers and other staff members on how to take safety measures at the time of natural mishaps like earthquakes etc.

The students actively responded to the emergency situation and evacuated within the time span of **three minutes**.
