

## Painting Competition for classes III & IV

A Painting Competition was organised by the Bureau of Energy Efficiency (BEE) for the students of Grade III & IV on 1 September 2018. The themes for the competition accorded for different grades were: Grade III- 'Road Safety', Grade IV- 'Energy Conversation'. The budding artists depicted their concerns on the burning issues through their imagination and aesthetic conceptions. The competition gave them a platform to assimilate the feeling of sensitivity towards the safety of humans and their physical environment.

The winners of the competition are:
