

Inter House Popsicle Art Competition for Class III

Nothing like making handmade decorations!

The work of art is a scream of freedom. It encompasses values, ideas and helps enlighten our lives. Reiterating this notion, an Inter House 'Popsicle Art Competition' was organised for the students of Grade III on 12 July 2019 in the school premises. The apprentices demonstrated exciting ways to reuse ice cream sticks creatively with their little hands. The aim was to provide a platform to the budding artists so that they could give vent to their imagination and aesthetic exploration by creating magical and unique designs and expressions on ice cream sticks.

Indeed visual expression is a brilliant means of communication!
