

RED BALLOON DAY

Colours are indeed the smiles of nature..... Red Balloon Day was celebrated on 30 April 2019. Our tiny tots were asked to dress up in red colour dress on that day. Teachers also joined the celebration by wearing red coloured dress.

The shades of red made our tiny tots feel bright, lively and cheerful. The classrooms were decorated with red coloured balloons and other red coloured pictures.

Here a red..... there a red red red everywhere. 'Red' colour symbolizes enthusiasm, life and vitality. Some of the students spoke few lines on the red object they brought from home. Children enjoyed and took active part in Red Balloon Race.

The Red Balloon day celebration was a wonderful learning activity which helped children to sort and classify objects based on colours by reinforcing cognitive skills.

It was a scintillating day with innocent faces gleaming and reflecting brightness, joy and happiness.
