Our tiny tots celebrated Pink Butterfly Day on 19 August 2019. It was wonderful to see our children bloom and blossom in different shades of Pink.

The aim was to reinforce the different shades of Pink to them. Pink is the colour which signifies Love, beauty and kindness. The teachers showed them the magic of mixing of two primary colours—red and white to get Pink.

All the tiny tots, in their beautiful attires plunged into Finger Printing activity in ‘Butterfly’ with enthusiasm and vigour.
