

Pink Hat Day

The vitality and softness of the colour Pink came alive as the concept of 'Pink' was imparted to children by mixing white and red clay. Pink Hat Day was celebrated on 30 August 2018 by the kiddos of Pre-nursery, D.A.V. Public School, Sector 10A. Everybody blushed in their pink attires lending a peculiar charm to the aura around in the monsoons. Children were given mobiles of pink hat to carry back as the memoir for that day.
