

PURPLE UMBRELLA DAY

Purple Umbrella Day was celebrated in Pre-Nursery on 27 September 2018 to make the little kids aware about colours and how they add beauty to things around us. Tiny toddlers were beautifully dressed up in purple colour dresses. It was a pleasant and lovely day for these tiny tots. They also brought many purple coloured objects- toys, fruits, vegetables etc. Colour recognition was done by displaying these items and encouraging children to speak a few sentences on each object. Lots of activities were planned to reinforce the understanding of the colour. Sorting activity helped children to identify and differentiate various colours.

Children flaunted the Purple Umbrellas made by them with purple finger printing. It turned out to be a remarkable day filled with fun.
