

## **‘Swapnil Rang- 2020- Navotsarjan- A New Beginning’ at Lions Public School, Sector 10A, Gurugram**

Painting is literature in colours. With an innate desire to enhance creative thinking skills of budding artists and to provide a platform to explore new dimensions, Lions Public School, Sector 10A, Gurugram hosted a fun-filled, online event of MS Paint Digital poster competition (**‘Swapnil Rang- 2020- Navotsarjan- A New Beginning’**) on 7 November 2020. Transformation of aesthetic potential of the young dilettante into visual expression was the main crux of this endeavour. Our winning participant gave vent to his imagination by creating magical expressions on the computer screen. Manit Saini, the young virtuoso of grade III, DAV Public School, Sector 10A, Gurugram clinched the ‘First Position’ and brought laurels to the school. The winner was conferred with E-certificate to acknowledge his efforts for ‘Standing Out’.
