Career Counselling Sessions for Classes XI-XII

Science Streams on 2 June 2021

Commerce and Humanities Streams on 11 June 2021

The school in association with PRATHAM organised an interactive online Career Counselling Session for the students of Grades XI and XII (Science Streams on Wednesday, 2 June 2021 and Commerce and Humanities Streams on Friday, 11 June 2021 at 11:30 AM). The session was addressed by Mr. Binit Binod, an eminent Educationist.

Mr. Binod began with explaining the significance of having dialogues instead of monologues during online classes, referring to the students' active participation in sessions. He also talked about the importance of using time wisely before appearing for any Entrance exam. He quoted, "The person who knows the art of wasting time needs no enemy." He told the students that it's important that they do a self-expectation check before analysing the expectations of others from them. He threw light on CUCET and brought forth the main purpose behind getting good marks at Class XII level- getting admission in good colleges, which would eventually lead to better placements. He went on to talk about various esteemed colleges like SRCC and LSR and their cut off percentages. He emphasized that Aptitude tests are of great significance and comprise Quantitative Aptitude, Verbal Ability, Logical Reasoning, General Knowledge and Current Affairs. He also mentioned about 5year Integrated MBA programme from IIM Indore/Ranchi/Rohtak/Jammu that students can undertake after Class XII and fetch lucrative pay packages in future. Mr. Binod gave a purview of stream neutral career options like Law, Management, Economics Honours, Mass Communication, Hotel Management, Psychology, Design, Liberal Arts, Fine Arts, Actuarial Sciences etc.

Students' queries were answered promptly and the session concluded with a wonderful thought that preparation makes the ordinary people extraordinary. The session was not only informative but quite interactive.
