

## INTER HOUSE SOLO SONG COMPETITION

*“Music is to soul what words are to the mind.”*

*It is the best method of relaxation and it cheers our spirits from within. To bring out the singing talent of our students, an Inter House Solo Song competition was organized for all the sections of class VI on 11 July 2019. All the students sang with a lot of passion and confidence. Each participant was judged on mastery over voice quality and modulation, pitch, rhythm and tone.*
