

SOLO DANCE ACTIVITY

GRADES- I & II

'Dance is a poem of which each movement is a word.'

Creativity and intelligence don't just come from the brain alone, but from the entire body. All kinds of body movements involved in dancing aid in strengthening muscles, memory and concentration skills. So, with an aim to augment the dancing skills, an online 'SOLO DANCE ACTIVITY' was organized for the students of grades I & II on 26 July 2021. The young dancing enthusiasts were incredibly elated to be a part of the most awaited vibrant and energizing event. The little feet twirled around on different dance genres like Classical, Semi- Classical, Folk, Contemporary and Western. The colorful attires of the little ones enhanced the pleasure of watching their performances. Indeed, the indelible performances will be cherished forever!
