

Solo Dance Activity for Grades I & II

“The job of feet is walking but their hobby is dancing.”

The above notion stood justified in the Solo Dance Activity organized for Grades I and II from 24 to 26 July 2019. It was a gala time for the kids. The little feet were in full swing and danced on different themes that suited their taste and talent. The charm of the dancing stars was reflected in their attires and demeanour. The event brightened up the soul of both, the performers and the spectators. It filled the ambience with freshness and exuberance.
