Dance is the joy of movement and the heart of life.

Dance is an expression of beauty and love that touches the heart. To celebrate this beautiful form of performing arts, an online ‘Solo Dance Activity’ was organized for Grades LKG and UKG on 20 September 2020. The vivacious dancers set the floor on fire with their powerful performances. The charismatic dancers showcased different dance genres like western, folk, classical, etc. Dressed up in beautiful attires, the agile dancers gracefully flaunted their dance moves. The performances of the little dancing stars left us spellbound and mesmerized.
