

Story-Telling Activity for Kindergarten

Children have an innate love for stories. It creates magic and a sense of wonder in their world. It is a unique way to develop understanding and respect for their culture. It also enhances listening skills and vocabulary. A story telling session was organised for the little ones of kindergarten on 8 February 2018. Children found it really interesting and got engrossed in the story which was told to them with creative gestures and facial expressions by the renowned story teller Simmi Srivastava.
