## Poster Making Competition (2020-2021)

*"EVERYTHING YOU CAN IMAGINE IS REAL"*

A poster making competition was organised for classes IX and X. In sync with the present situation the theme of the competition was "Life After Covid 19". The aim of the competition was not merely to see the creative aspect but also to trigger the thought process of the young minds and sensitise them towards the serious issue the world is facing. Moreover, it was to bring them to terms with the new normal. The students participated with immense zeal and enthusiasm, and created beautiful posters which captured everyone's heart.

Congratulations to the winners!
