

# SPORTS DAY

Sports day was held on 6 March 2019. Students of LKG & UKG participated in different events, like Hoola Hoop Race, Partner Race, Balloon Race and Obstacle race. All of them participated enthusiastically and had lots of fun. At the same time these activities helped them to develop their alertness, fine and gross motor muscles.

Sports day gives a great platform to the students to showcase the spirit of sportsmanship. Children participated with great zeal and enthusiasm.
